## **SOMETHING TO THINK ABOUT....**

**What does Church really look like? Our vision in starting this new church out at the Southern Communities of Elliot Springs, Nome and Alligator Creek started back in 2018. We were invited to partner with Townsville WMC in sending a team South of Townsville, to this area. It has been an exciting 3 years and we are still connecting, learning and growing. If you see our trailer and this statement "Community Transforming Community", this is our purpose. We want to be a community of people, who through their faith in God, bring transformation to the community that they are a part of. We'd love you to join us!**
